### **Award Winning Semmco Teams up with Aviation Access and GSE Partner in the Middle East**

Semmco is pleased to be working in partnership with Rajan Khatavkar of Alpha Sierra, our Partner in the Middle East who, after 12 years in the aviation industry, has a wealth of experience to offer customers.

After having been in association with Rajan Khatavkar for 8 years, Semmco is now working closely with him on a number of innovative projects, unique in the aviation and railway industry, not only in the Middle East but worldwide.

Semmco is proud to have been presented with an EEF Award in the category of Outstanding Export in recognition of its achievements.
