

JP Morgan Asset Management Round the Island Race 2013

From 1931 the one day JP Morgan Asset Management Round the Island Race has been fiercely competed. A Semmco team joined more than 1,700 yachts and over 10,000 sailors in the first attempt at this race.

The Semmco managed to come in the top 18% out of all participants and finished 273 out of the 1459 yachts completing the course.

Congratulations to the team.
